**Assessing Official Comments:**

QUALITY: The performance of VIRE meets all of the contractual requirements and exceeds many, to the Government's expectations. The contractual performance of the vendor has been assessed and was accomplished with few inconsequential issues for which the corrective actions taken by the vendor was highly effective. The contractor prepared all of the required technical documentation and reports, as defined in the work request. All deliverables were turned in, to the government, within the work and time outlined within the work request.

SCHEDULE: The contractor has done an exceptional job keeping on schedule with the program. All of the contractors have worked with the IRS team and with the IRS project management team. This allowed for on time or early delivery of all required products required by the IRS. VIRE has worked cooperatively with the IRS staff and managers and has resulted in a positive impact to all aspects of the program. This allowed for on time or early discovery of any component defects and prompted for speedy correction actions to be taken.

COST CONTROL: Not required Contract is Fixed Priced Task Orders

MANAGEMENT: The Contractor meets weekly with the IRS integrated project team members and managers and has a positive history of reasonable and cooperative behavior with all. They have evaluated the deliverables and initiated corrective action plans in a timely manner. The integration and coordination activities that VIRE has taken to execute the contract have been excellent. All deliverables have been on time with little or no errors and has shown exceptional business relations with all customers during this period.

**RECOMMENDATION:**

Given what I know today about the contractor's ability to perform in accordance with this contract or order's most significant requirements, I would recommend them for similar requirements in the future.
