Assessing Official Comments:

QUALITY: Vire's architectural and engineering services are of the highest quality and provided exceptional professionalism throughout the period of this contract. Vire's SMEs were sought out by all departments and efficiently remedied high level issues throughout the enterprise.

SCHEDULE: Vire always remained on schedule even while working under strenuous time constraints. Vire consistently exceeded our expectations.

COST CONTROL: Vire always performed on time and under budget. Vire developed and custom applications that brought down costs throughout its contract period.

MANAGEMENT: The Vire management team always performed beyond my expectations and was always proactive with any issues that would arise. Vire required very little supervision as they were always on top of their performance objectives and deliverables.

SMALL BUSINESS SUBCONTRACTING: This company is a small business. A small business subcontracting plan was not required.

REGULATORY COMPLIANCE: Vire adhered to all regulatory compliance.

RECOMMENDATION:

Given what I know today about the contractor's ability to perform in accordance with this contract or order's most significant requirements, I would recommend them for similar requirements in the future.
